## Maintenance

- ✓ For daily cleaning, use a dry cloth and a soft liquid cleaner.
- ✓ Never use abrasive cleaners containing chrome, acetone, chlorine or strong bleach. Do not use tools as scrapers, metallic brushes, and other products which can scratch or tarnish surfaces.
- ✓ Good ventilation is essential for maintaining the quality and look of this furniture.

## Limited 30 year warranty

- ► This warranty applies to ROBERTO FIORE kitchen cabinets installed for residential use. ROBERTO FIORE warrants that, when installed in accordance with the installation instructions provided, the kitchen cabinets are free of manufacturing defects for a period of (30) thirty years from the date of purchase.
- ► We guarantee your satisfaction with each kitchen cabinet. Should any kitchen cabinet not meet your satisfaction because of a visual defect, simply return it to your retailer, PRIOR to installation for a replacement. We are unable to correct any visual defects after installation is complete or after 5 days from the date of original delivery.

## Information about your warranty coverage

Materials used in the manufacturing of the cabinets are sensitive to temperature and humidity variations. Cabinets must be installed in an environment where there is constant humidity and temperature control. The temperature must be between 16 degree Celsius and 26 degree Celsius with a humidity rate between 45% and 55%. As with any wood product, when humidity is low, cracking and center panel shrinkage may occur.

This warranty does not cover damages or failure attributable to:

- ► Kitchen cabinets installed with obvious visual defects.
- ► Defects or damage to kitchen cabinets caused by installation that does not comply strictly with the instructions provided with the kitchen cabinets.
- ► Issues related to the natural characteristics of wood products or the normal effects of aging.
- ► Defects caused by product modifications completed by the owner/installer.
- ► The variation of color over time due to sunlight, cleaning products and other environmental conditions.
- ► The variation in color and wood grain due to the nature of the product.
- ► Micro cracks due to the humidity and temperature variations.
- ► Defects caused by exposure to the elements including moisture which may cause warping or splitting.
- ► Defects or damage to kitchen cabinets caused by severe accidents (e.g. fire, burns).
- ► Damage caused by flooding or standing water from leaking pipes, faucets, household appliances, etc: up to and including flooding and any damages caused by natural catastrophes.

## Notes on Warranty

- ► ROBERTO FIORE kitchen cabinets shall not be liable for either its failure to perform or its delays in performance hereunder arising out of or resulting from causes beyond its control, including but not limited to, acts of God, acts of Representatives, acts of Government, wars, fires, floods, epidemics, quarantine, strike, freight embargoes, weather or default by suppliers due to any such causes.
- ► This warranty applies only to the original purchaser and installation site and is not transferable.
- ► Wood characteristics naturally occurring such as variations in color, grain and knots are not considered defects.
- ► Color variations in cabinets are a natural occurrence due to wood species, age and exposure to UV light and sunlight and therefore such variations and changes are not considered defects.
- ► This warranty is valid only for residential installation.
