Mobiles4Missions

Program Instructions

1. **Set up a box.** Using the enclosed signage, set up a collection box in a highly trafficked area of your church, school or workplace.

2. **Seal it up!** When the box is full, register your donation online at [http://mobiles4missions.wycliffe.org](http://mobiles4missions.wycliffe.org). You will receive shipping instructions and a pre-paid FedEx shipping label.

Please donate only cell phones and chargers. Weed out any cell phone boxes and instruction manuals before shipping.

Thank you for your participation. Your donation benefits not only Wycliffe but also the environment through safe resale or disposal procedures.

For your security, all data is deleted from every cell phone donated.

*If you have any questions, contact giftinkind@wycliffe.org or 1-800-WYCLIFFE x3894.*
