

# SUMMIT BIBLE MEMORY PLAN

## Peak 1—Trail Key Verse track

On this track, you'll memorize one verse that captures the main truth for the entire *Trail*. Review this Bible verse each week for four weeks. When you move on to another *Trail*, you will learn a new verse.

The 12 Trail Key verses are offered here in 4 different translations: English Standard Version, King James Version, New International Version, and New Living Translation. Print only the page for the version you prefer and then cut out the cards.

## SUMMIT MEMORY FORMULA

Develop a good habit! Use this formula to memorize Bible verses:

### T + R + V + R

**T**—topic “God Is Supreme”

**R**—reference “Deuteronomy 4:39”

**V**—verse “Acknowledge and take to heart...”

**R**—reference “Deuteronomy 4:39”

Memorize the topic (**T**) and reference (**R**) as if they are part of the verse (**V**). Learning them together will help you remember where to find the verse in the Bible. Plus, you will be able to recall one important truth that each verse teaches. Every time you review verses and when you learn new verses, recite the topic and reference, too!

### T + R + V + R

The diagram shows the formula **T + R + V + R** above a rectangular box representing a memory card. Four arrows point from the letters to the card: **T** points to the topic **GOD IS SUPREME**, the first **R** points to the reference **Deuteronomy 4:39 (NIV)**, the **V** points to the verse text **Acknowledge and take to heart this day that the LORD is God in heaven above and on the earth below. There is no other.**, and the second **R** points to the reference **Deuteronomy 4:39 (NIV)**.
