## FIELD SALES REPRESENTATIVE

### A B O U T

Monica Grubbs was born and raised in Southern California and currently resides in the greater Los Angeles area. She has been cheerleading since the age of 4 and has loved the sport ever since! Monica pursued her cheerleading career with dedication, ending 10 years of cheerleading with a UCA championship, and attending the cheerleading world championships in Orlando, Florida. Through this journey as an athlete, she discovered her passion to be serving the athletic community of coaches, athletes and parents who impacted her as an individual and giving back to the community that raised her. Monica has recently graduated from Hope International University with a Bachelor's degree and is so excited to be your Los Angeles Nfinity Representative! I am looking forward to getting your team outfitted in their new Nfinity gear!
