

# Grower's Secret Concentrate

## PROFESSIONAL

### ORGANIC PLANT GROWTH ENHANCER

Enhances root and plant growth

Grower's Secret Professional (GSP) is a highly concentrated organic plant growth enhancer that works to speed the delivery and uptake of nutrients and water.

Use in combination with fertilizers and plant growth supplements for superior plant growth and yield.

#### Derived from fermented molasses

- Signals plants to grow faster and larger
- Increases yields and shortens crop cycles
- Improves germination, root and foliage growth, flower bloom, and overall plant vitality
- Increases nutrient and water absorption, vitamin content and fertilizer/nutrient uptake
- Highly concentrated; a little goes a long way – 1.0 fl.oz. per acre for larger areas or 2-4 drops per gallon of water/liquid fertilizer
- World's only plant growth enhancer made naturally by fungal fermentation
- Fungal metabolite is concentrated, filtered, and heat pasteurized on the island of Maui
- Discovered and backed by PhD's in plant pathology and botany
- Proven in scientific studies

OMRI-listed and CDFA-registered for use on all crops and in landscapes, horticulture and turf

Suitable for use in organic and conventional farming

Information on our eco-packaging is at: [www.growerssecret.com](http://www.growerssecret.com)

#### FREQUENTLY ASKED QUESTIONS:

- What is GSP made of? [Organic mushroom metabolites](#)
- Can GSP be mixed with other products? [Yes! GSP is compatible with all products](#)
- Are there any GMO products used in the making of GSP? [No](#)
- How is GSP applied? [Foliar, drip, drench, side dressing](#)
- What is rate of application? [1 oz./acre](#)
- Can GSP be run through small orifices like drip emitters? [Yes, GSP will not clog emitters](#)
- Will GSP attract animal or insect pests? [No. GSP does not attract pests](#)
- How long is GSP's shelf life? [7 years](#)
- What is GSP's availability? [Available in 1 fl. oz., 4 fl. oz., 1 liter, and 1 gallon containers](#)
- What is GSP'S cost? [Pricing available upon request](#)
