NEW PRODUCT IDEA DISCLOSURE AGREEMENT

I understand and agree to the following conditions for submitting idea disclosures to All-Wall Equipment Co., Inc. (All-Wall) as set forth below.

1. This agreement does not give All-Wall any rights or licenses under any patents or patent applications that I now have or may obtain in the future.
2. I warrant that the idea I am submitting is entirely my own, that I have a right to disclose it to All-Wall, and that I am not prohibited from disclosing my idea to All-Wall.
3. I will submit to All-Wall a full written disclosure of my idea including drawings, if available, or a rough sketch sufficient to convey the idea to one skilled in the art to: All-Wall Attn. Marketing Dept. 12700 NE 124th St #8 Kirkland, WA 98034. If I have filed an application for a patent, I agree to send a copy of the patent application to All-Wall. I represent that all information that I provide to All-Wall is true to the best of my knowledge.
4. In conformance with All-Wall's request, I will sign, date, and have witnessed all disclosures I submit to All-Wall, and I will retain a copy of all such disclosures for my own record. To ensure that All-Wall has a record of what was submitted to it, I agree that All-Wall may retain a copy of any materials or information I provide to All-Wall.
5. I agree and acknowledge that no confidential relationship exists between All-Wall and me nor is such a relationship established by All-Wall's acceptance of my disclosure. I am relying solely on my rights under the relevant patent statutes in submitting my disclosure.
6. All-Wall agrees to consider my disclosure to the degree it merits in All-Wall's judgment. All-Wall assumes no other obligation.
7. I agree that if All-Wall indicates that it is interested in my idea, I will negotiate with All-Wall concerning the rights to my idea.
8. The foregoing also applies to any additional or supplemental disclosures relating to the same subject matter.

I HAVE READ AND FULLY UNDERSTAND THE ABOVE CONDITIONS AND ACCEPT THEM IN CONSIDERATION OF ALL-WALL'S REVIEW AND EVALUATION OF MY IDEA.
