Under **Back** the instructions were changed for clarity and should now read as follows:

Back:

Work the Back the same as for the Front using the remaining 94 (99, 110, 132, 143) sts, but keep these sts on the longer needle after all decs are complete.

Under **Sleeves (make 2)**, the paragraph should read as follows:

Using shorter needle, CO 64 (66, 70, 72, 74) sts.

Working back and forth in rows, work one rep of *Ribby Welt (flat)*, beg with Row 1. Dec each edge every 3rd and 5th row for the next 14 reps of stitch pattern, ending after working Row 5 of stitch pattern = 8 (10, 14, 16, 18) sts.

Place these sts on a stitch holder or scrap yarn and set aside.

Under **Collar**, some stitch counts were incorrect and should read as follows:

Second Dec Rnd: *K9, k2tog; rep from * to end of rnd, end k4 (6, 0, 0, 2) sts = 124 (136, 160, 200, 222) sts.

Third Dec Rnd: *K8 (6, 2, 1, 1), k2tog; rep from * to end of rnd, end k4 (0 (0, 0, 2, 0) = 112 (119, 120, 134, 148) sts.

For Sizes XS, S, & M Only:

Work Rnd 4 once more, then work Rnd 5 while binding off all sts loosely.

For Sizes L & XL Only:

Fourth Dec Rnd: *K0 (0, 0, 8, 6), k2tog; rep from * to end of rnd, end k0 (0, 0, 4, 4) = 400 (410, 420, 421, 130) sts.

Work Rnd 4 once more, then work Rnd 5 while binding off all sts loosely.
