

Condo Cardigan

A free pattern download from *skacel collection, Inc.*

Condo knitting is a technique that uses two mismatched needles to produce an open, airy fabric. In this pattern, we recommend using two different sized tips from the addi Click interchangeable needle system. The needle held in the right hand is the needle that determines the size of the new stitch.

Gauge:

16 stitches and 24 rows = 4" in St st on smaller needles
