

# Grower's Secret **Commercial**

## Soluble Corn Steep Powder 7-6-4

### NPK FOR ORGANIC CROP PRODUCTION

#### Plant Derived Nitrogen, Phosphorus and Potassium

**Grower's Secret Soluble Corn Steep Powder (GSCS 7-6-4)** is a water soluble product derived from plants.

Use as part of an overall nutrient management program in organic and conventional production to provide NPK to support plant growth and correct nutrient deficiencies, improve plant quality and appearance. GSCS 7-6-4 can be applied as a stand-alone product and is compatible with other supplements and pest control products.

#### Derived from plant protein hydrolysate

- 100% water soluble
- Can be used as a foliar spray or through irrigation
- Contains no animal protein or by products
- Helps chelate other nutrients
- Supports abundant root formation and soil microbial activity

#### FREQUENTLY ASKED QUESTIONS:

- What is GSCS 7-6-4 made from? [Corn Steep Liquor](#).
- Can it be mixed with other products? **Yes!** However, we have not been able to test all combinations of possible mix partners and recommend a small jar compatibility test using product in proportion to field use rates before wide scale use if you are not sure.
