## TIPS

This project can be adapted to various holidays, seasons or themes. Create Christmas ornaments or fall suncatchers. You can also adapt this project to fit your summer camp theme.

## INSTRUCTIONS

1. Place a 3” clear glass square over the templates of your choice.

2. Add Buffalo Chips and Coarse Frit to your glass blank using the template as a guideline.

3. Adhere each Buffalo Chip or Frit piece in place with small dots of Elmer’s Blue Gel Glue.

4. Create Rod Dots by cutting small pieces of Glass Rods into the Nipping Baskets using a Wheeled Mosaic Cutter. Add Rod Dots to your design and glue in place.

7. Contour fuse each glass project on Thinfire Paper.

8. Glue Large Bails to back of each glass project with E-6000 Adhesive and allow to dry.

9. Hang your Glimmering Glass Ornaments and Enjoy!
