

REAL LIFE ISSUES

YOUR LIGHT

>> The Bible speaks frequently about light—it is both a metaphor and an actual spiritual condition. Dig deep and see what God reveals to you about your light.

1. The beginning and source of light: (Genesis 1:3-4)

2. Light as a miracle: (Exodus 10:22-24)

3. The purpose of your light: (Matthew 5:14-16)

4. The real Light: (John 8:12)

>> How much of your light comes from you and how much is a reflection of Jesus? Why do you think God cares about the difference?
