INSTRUCTIONS

1. Lightly wipe ware with a damp sponge to prepare surface for painting.

2. Firmly apply Decorative Stickies in scattered areas on the mug surface.

3. Dispense shaving cream onto a flat, easy-to-clean surface. Dispense enough to fill an area large enough to cover the mug. Smooth with a flat object, like a squeegee.

TIP: For a funkier look, keep the shaving cream textured.

4. Dispense a small amount of Light Heather, Bright Purple, and Dark Pink directly onto the shaving cream. Feel free to experiment with more colors!

5. Use a paintbrush handle to gently swirl the paints into each other. Be careful not to muddle the color.

6. Firmly twirl and twist the mug onto the shaving cream mixture to coat the entire surface. Reapply to add greater texture. Once done, gently lift the mug.

7. Using a small amount of water, gently rinse off the shaving cream to reveal your design. Set aside to dry.

8. Once dry, use a pin to gently remove each sticker.

9. Paint a heart with 3 coats of Dark Honeysuckle.

10. Paint "BFF" over the heart with 2 coats of Dark Black.

11. Paint the inside of the mug with 3 coats of Light Heather. Let dry.

12. Dip in Pure Brilliance and fire to Cone 06.
