### **Dishwasher-Safe Keyboards and Mice Now Include Lifetime Warranty**

*Patent pending washable Keyboards and Mice adopt lifetime warranty to reflect durable design.*

**Jacksonville, FL (June 18, 2012)** - Seal Shield LLC announced today that it is implementing a new Lifetime Warranty that reflects its products' quality and durable engineering. Seal Shield keyboards and mice are the world's first and only dishwasher-safe and antimicrobial product protection input devices. The patent pending design is a standard in healthcare environments where it is used to reduce the spread of cross contamination infections, a leading cause of hospital deaths. Seal Shield's new Lifetime Warranty validates that the Company stands behind its products and is committed to servicing its customers beyond industry standards.

According to Seal Shield CEO, Bradley Whitchurch, "Seal Shield has always had the best warranty in the industry. Now we have the longest warranty too. Our new Lifetime Warranty reflects the superior quality of Seal Shield's uniquely ruggedized solutions. As the industry leader for washable electronics, Seal Shield is always looking for opportunities to enhance our products and services."

Seal Shield's Lifetime Warranty applies to its full line of award winning, waterproof, antimicrobial product protection keyboards and mice. The new extended warranty became effective June 1, 2012.

Seal Shield designs, develops and manufactures medical grade, infection prevention technology for hospitals and the home. Seal Shield is a world leader in infection control products including patent pending washable keyboards, mice and TV remote controls. For more information please visit <http://www.SealShield.com/>
