ST356 Wheel Mosaic Nipper (optional)

SUPPLIES

Disposable bowl (for grout mix)
Paintbrush
Paper towels
Plastic gloves
Plastic spoon (to mix grout)
Water

Materials Guide

BIM677 - Approx. 45 tiles yields 6 projects
BIM682 - Approx. 8 tiles yields 37 projects
BIM687 - Approx. 5 tiles yields 60 projects
BIM696 - Approx. 12 tiles yields 25 projects
BIM8-50030 - 2 oz. yields 50 projects
BIM9032-4 - 1 per project
BIM-White-1lb - 1 lb. bag yields 4-5 projects
RAA-149 - 1 pepperoni-sized drop yields 20 projects

INSTRUCTIONS

1. Using a Q-tip and Weldbond as glue, adhere Gold Glitter Smoothies tiles to the body of the penguin.

2. Adhere Celeste Blue Glitter Smoothies to the center of each upper butterfly wing.

3. Adhere Medium Blue Glitter Smoothies to the center of each lower butterfly wing.

4. Adhere Pretty Pink Glitter Smoothies to the remaining area of each butterfly wing.

5. Allow project to dry before grouting.

GROUTING INSTRUCTIONS :
1. Pour grout into a disposable bowl.
2. Use a plastic spoon to mix in small amounts of water until you achieve an oatmeal consistency.
3. Spread grout mix over project surface, allowing the grout to fill in all gaps between the tiles. Wear plastic gloves to keep your hands clean.
4. Allow project to dry for approximately 15-30 minutes, then wipe off excess grout with a paper towel.

6. Once grouted, paint the edges with acrylics if desired.

Don't want to get messy with grout? No worries! This DIY MDF plaque can be painted with your choice of acrylics. Then, accent with your favorite mosaic tiles!
