INSTRUCTIONS

1. Lightly wipe ware with a damp sponge to prepare surface for painting.
2. Using a small brush, paint 3 coats of Light Blush on the hands.
3. Using a medium brush, paint 3 coats of Neon Blue on the arms and torso. Avoid painting the belt and the emblem on the chest.
4. Paint the cape and inside of the mug with 3 coats of neon red.
5. With a water-based marker draw an "S" in the center of the emblem on the chest.
6. Use a detail brush to paint the background around the "S" with 3 coats of neon red.
7. Also use a detail brush to paint the small border around the emblem with 3 coats of Bright Butternut.
8. Fill in the "S" with 3 coats of Bright Nautical.
9. With fine detail brush outline the emblem on the chest, and add accent lines on muscles and outline around the wrists.
10. Use a small brush to paint 3 coats of Bright Nautical on the Belt. You can use the Neon red for the belt loops and Bright Butternut to paint the belt buckle.
11. Using a detail brush add Dark Scarlet detail lines on the cape to accent the wrinkles in the fabric.
12. Dip in Pure Brilliance and fire to Cone 06.
