

⚠ Caution:

The Sargent World Sport Seat is NOT compatible with the OEM Storage Tray. The Sargent Storage Tray must be installed in the OEM tray's place before installing the Sargent Seat.

DUCATI SCRAMBLER SEAT AND STORAGE TRAY INSTALLATION GUIDE

NOTICE: In order to achieve maximum comfort, the Sargent World Sport Seat is designed to accommodate more foam in the mid-section of the seat. To accomplish this, the Sargent World Sport Seat Base is designed to fit closer to the motorcycle frame, and an alternate storage tray is supplied. Please follow the instructions below to install the Sargent Storage Tray.

Tools Required:

3 mm Allen Wrench (in on-board tool kit).

Installation:

1. Remove the OEM storage tray (not pictured) by removing the four OEM bolts indicated below. Also remove module A from the OEM tray.
2. Install the Sargent Storage Tray (pictured) by using the four OEM bolts.
3. Install Module A into the Sargent Storage Tray as indicated.
4. Install the seat.
