

Pedicure Spa Chairs

WHAT FEATURES DO YOU NEED ?

Colors

Does the chair top, base and bowl come in colors that coordinate with your spa or salon decor?

Chair Features

Do your client require a swiveling chair, pivoting arms or power slide and recline? Do you need manicure trays?

Bowl

What kind of bowl — fiberglass or glass? Do you want the tub to have lights?

Whirlpool Features

Do you prefer standard pipeless whirlpool jet or magnetic pipeless whirlpool jet?

Warranty

What kind of warranty do you prefer? How long do you plan on keeping the pedicure spa chairs? Will you need parts or service help?

Extra Tech Features

Do your technicians want autofill features or a technician side remote?

Chair Massage Type

Do you want Vibration/Heat or Full Shiatsu Massage?

Base Features

What is the shape of the base? What materials are used to make it. Is it acetone proof or acetone resistant?

Foot Rest Features

Do your technicians prefer a tilting, pivoting or height adjustable foot rest?

Drainage

Do you need drain pump because your exit pipe drain is higher than the pedicure spa chair?

Ventilation

Do you need a spa with ventilation built in that connects to your salon exhaust system?
