TECH SHEET

Vineyards — Paso Robles Willow Creek District
Linne Calodo Estate Ranch
G2 Vineyard

Varietals — 67% Zinfandel, 22% Syrah, 11% Mourvèdre

Production — 420 cases

Harvesting method — by hand

Fermentation —

Hand sorted via a two-tiered sorting system (whole cluster sorting followed by individual berry sorting). Destemmed and fermented whole berry in open-top stainless steel fermenters. Twice daily punch downs and/or pump-overs to maximize flavor extraction.

Yeast — Native

Press — Basket pressed

Malolactic Fermentation — Yes

Aging/Maturation —

12 months in neutral American Oak barrels

Winemaker — Matt Trevisan
