

CHAIRMAN'S — RESERVE — *Finest Saint Lucia* RUM

CHAIRMAN'S RESERVE LIMITED EDITION 1931

Chairman's Reserve Limited Edition 1931 is a tribute to the rum philosophy and craft established by our founder, Denis Barnard, when he established his distillery in 1931, which has become today one of Saint Lucia's most cherished treasures, St. Lucia Distillers.

BLEND AND MATURATION

A seamless blend of Coffey and pot still rums aged from 6 to 11 years in Bourbon and Port casks. The majority of the 1931 blend comes from traditional molasses rum, while the hidden spunk of the spirit is influenced by the inclusion of Lucian agricultural rum produced from fresh sugarcane growing in the fields adjacent to the distillery.

TASTING NOTES

Vibrant medium gold in color with a subtle bronze hue, the character of the rum is highlighted by the expressive aromas of honied raisins and vibrant toasty oak notes followed by hints of leather, spice and tobacco. A well-balanced mid-palate provides structure around flavors of rich sultana fruit with hints of crème caramel and buttery oak. At first a sweet raisin fruit, trailed by dry and tannic flavors from the oak barrels. A hint of grassy aromatic sweetness from the sugarcane distillate gives a unique, hedonistic but balanced element to finish of the rum.

RUM DISTILLATE	BARREL TYPE	YEARS AGED	% OF BLEND
Column Still - Molasses Rum #104	Ex-Bourbon	6 to 11 years	43%
Column Still - Molasses Rum #101	Ex-Bourbon	6 to 11 years	28%
